

JFSS SAC Transparency Report

April 2025

At John Fraser, our student council is committed to transparency and accountability. We plan to provide clear updates on budget allocations and spending to keep students informed. Your voice matters – stay engaged!

How Resource Allocations Are Decided

Student Need & Impact

SAC prioritizes funds for activities, clubs, and initiatives that benefit the most students

Inclusivity and Diversity

Ensuring funds support clubs and events that represent different student interests, backgrounds, and cultures.

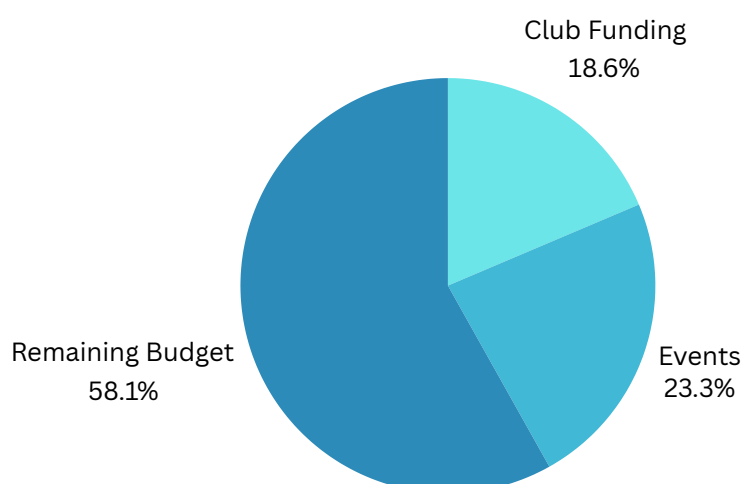

Past Spending & Effectiveness

Reviewing past budgets to see what worked and what didn't before allocating new funds.

Administration & Guidelines

Ensuring spending aligns with school policies and administrative approvals.

Allocation Overview - April 2025

Events

Events are vital to the school community as they build school spirit, bring students together, and create shared experiences that strengthen the school culture – below is a list of the events that incurred the highest costs this year:

1. Carnival (**upcoming**)
2. Semi-formal (**complete**)
3. Halloween dance (**complete**)

Club Funding Allocations

Club budget allocations are typically based on factors like the club's past spending, projected activities, member engagement, and overall impact on the student community. Requests are often reviewed for feasibility, alignment with school values, and fairness across all clubs.
